

₹10,001 PURITY CHALLENGE

To qualify for the ₹10,001 Purity Challenge:

1. The product must be in its original factory-sealed bottle.
2. The seal must not be broken, damaged, or tampered with.
3. Testing must be carried out only by a NABL Accredited Laboratory.
4. CSIR-CFTRI laboratory reports are accepted.
5. Adulteration must be established as per the applicable FSSAI standards.
6. The Company reserves the right to verify the test report before processing the reward claim.
